# KDBM – Knowledge Based Decision Making

***“How is our group going to meet?”***

Try using this process to help your group come to an informed decision on this type of question or another.

[KDBM - Quick Reference Tool](#)

**Timely Topic: *Guidance for Split Groups***

Why does a group split? *You are not alone*

Before the pandemic vs now

Can we do that? Does it affect another group? (Tradition 4) Is there policy for that?

How long? *Letting go*

# Three Questions that help me when things come up

- 1) Is it clear & accurate?*
- 2) Is it consistent with our spiritual values?*
- 3) Can I live with it?*

# A New Electronic Area was Formed – *then what happened?*

*Service Manual, p. 165-166*

## Groups elected Group Representatives

- The WSO called meetings with the CMAs of the electronic groups worldwide
- They were encouraged and guided to elect GRs to attend the Area's first Assembly
- A temporary Chairperson was elected and the Assembly was called

## Their first Assembly

- With the desire to follow the links of service they met to elect a Delegate
- They elected a Delegate from among the GRs.
- They petitioned the WSC to be part of the World Service Conference

## What is yet to happen?

- Their Delegate will attend the 2022 WSC in April in New York in hopes to be admitted to join.
- At the beginning of the first Day of the WSC the Chairperson of the Conference will bring the recommendation in the form of a motion to the WSC to accept the Delegate (the Electronic Area into the WSC). With a passed motion they will be a Panel Area and part of WSC (over 600 groups worldwide will be added to the Conference!!)

# PRACTICE

A hand with light-colored nail polish is holding a blue marker, drawing a horizontal line across the page. The word "PRACTICE" is written in large, blue, hand-drawn letters above the line. The background is a light blue gradient.

**Practice makes progress and  
experience brings growth.**

*Looking forward to what is next, for you, and for me!*
