# Electronic Meetings Becoming AI-Anon Family Groups

Many years and much effort to get here – it was clear that Electronic Meetings wanted to be AFGs (15 yrs)

Trust the  
process

## AI-Anon Family Groups (AFG)

Keep the  
Traditions  
close

**Physical Groups**

**Electronic Groups**

***What about Hybrid?*** They are physical groups that meet in person and have an electronic component. Within policy but split meetings are not.

***What about temporary electronic groups?*** They are physical groups. And once our Area has a process for permanent Electronic groups then they will need to decide – if they will have a physical location or an electronic location.

***What about group records?*** Will be able to enter both type of locations in one database as well as Hybrid. Fasten your seat belt, Marge 😊
