

Hear Ye! Hear Ye! - The New Service Manual is Available!

We are happy to announce that the *2026-2029 Al-Anon/Alateen Service Manual* [P-24/27] is available in an electronic format in English, Spanish, and French on al-anon.org, members tab. Here is the link for the interactive online version: <https://al-anon.org/for-members/members-resources/manuals-and-guidelines/service-manual/>.

The online version is searchable by using the search feature (right corner) to help you find topics in the manual. Also, the table of Contents is interactive which allows you to go directly to the sections of your choice.

If you would like a free [downloadable pdf version](#) you can do so by clicking on the 'down arrow' icon on the menu bar below the Service Manual. The print version is scheduled to be available in the spring of 2026 and will be available from your local [Literature Distribution Center](#) (LDC) or the [WSO online store](#).

Updates to the Manual from the past version will be noted with the use of vertical lines in the outer margins throughout the manual.

All members are encouraged to read and study the Manual. You never know when you make yourself familiar with it will come in handy. The Manual provides us with a clear and concise understanding of our fellowship, its function, and our primary purpose. It helps us solve group problems, find answers on how to relate to others and maintain unity and harmony within our groups and our fellowship worldwide. Reflecting on the collective experience of our members, the Manual offers interpretation of our Traditions and Concepts and offers us guidance on conducting meetings, public outreach, and service.

If you are new in service or have been in service for sometime, be assured you are not alone and help and guidance are available. Our Service Manual is a great tool to keep close. The more you use and consult the Manual the more comfortable you can get with it. Many members in service report that they 'don't leave home without it.'

If you have any questions please don't hesitate to reach out to your [District Representative](#) or our PA Delegate at delegate64@pa-al-anon.org. Happy Reading!!
