

Help and Hope for Families and Friends of Alcoholics
Please read at two consecutive meetings

Personal Appeal Letter to Individual Members in Your Group
August 2026

Dear Al-Anon & Alateen Members

This year, the word on my heart has been abundance. When I focus on having enough, I discover that I truly do have enough. Reflecting on abundance has made me more generous—not only with my finances, but also with my time.

When I first came to Al-Anon, I would put a dollar in the basket without much thought. Through service, I have seen how those dollars help friends and families of alcoholics. Seeing the impact of those contributions has inspired me to give more.

With that spirit of abundance, I invite you to consider making an individual contribution to this State Appeal. Al-Anon carried me through one of the darkest times in my life and gradually transformed it. Today I have greater peace, perspective, and serenity because of this program.

Because others gave before me, Al-Anon was there when I needed it most. I hope you'll consider sharing whatever abundance you have so this program can continue to bring hope and healing to those who reach out for help.

Please see the reverse side for the 2027 Plan and Cost per Group.

With love,

Alissa W.

District Representative, District 30

Finance Committee Member- Northeast Sector
